

## **The Quest Of Nellie's Demise**

Ronnie W. Wolfe – April 28, 2018

Here is the quest of Nellie's demise:  
There in cemetery quiet she lies;  
But way up in Heaven angels rejoice.  
Nellie is joining the choir with her voice.

She sings to God praises down deep from her heart  
To give Jesus praises for doing his part  
To bring her to Heaven to rest evermore  
And to serve him completely on Heaven's bright shore.

So, when you shall go by reaper or rapture,  
Be ready for Heaven God's great love to capture.  
Trust him and serve Him; by faith you must come  
To Heaven's great rest to make it your home.

And don't be surprised when in Heaven you see  
Nellie just waiting to see you and me.  
Don't disappoint this grand lady fair.  
She's waiting to see all her family up there.
