

# Live For Jesus

By Pastor Ronnie Wolfe – August 23, 2008

I'd rather live for Jesus and find out there is none  
Than live as though there is no Lord and find out there is One.

To live without Him here below would make me very sad,  
But meeting Him in Heaven there will make me, oh, so glad.

Without a Savior here on earth I'd chance to be in chains.  
With Jesus as my Christ and Lord He will my life arrange.

I cannot live as if there is no Christ within my life,  
For He has saved me, made me whole, and ended all my strife.

So live as if He lives in you and to Him give your mind,  
And when He comes to take us home, you'll not be left behind.
