

Who's Gonna Fill The Gap

Ronnie W. Wolfe – September 1, 2018

When God calls people home to Heaven
Who have lived for him so long,
What are we supposed to do
To replace their happy song?

How can we without them live
To honor God's great call?
How can we so walk their path
To share good news to all?

*Old saints can't live forever here
On earth their work recap.
So, I ponder in my wondering mind,
"Who's gonna fill the gap?"*

Will these young folks with new ideas
Preach truth from depths of love?
Will they search the Scriptures deep
To get truth from above?

Or will they with emotion filled
Preach shallow faith indeed,
And to the truths of God's own word
Their hearers never heed?

*Old saints can't live forever here
On earth their work recap.
So, I ponder in my wondering mind,
"Who's gonna fill the gap?"*

I pray with hopeful wondering now
With a strong intent to serve
That I will mimic those old men
Whose minds would never swerve.

But stood up tall in the winds of change
To keep the faith once giv'n,
To preach the word and live it out
Until they went to Heav'n.
