Dec. 16-18, Nicholasville, Kentucky.

October 16, I preached and sang in all three services at the **Blessed Hope Baptist Church** in Frankfort, Kentucky, **Pastor Josh Freeland**. The meeting was well attended and we had a sweet Spirit in all the services. The church served a delicious lunch and included a **chili cookoff contest**. There were several different types of homemade chili. After the judges gave their choice, one of the members received first place as his chili was chosen the best. The church had a special service in the afternoon and **Peter Cline**, one of the members, was ordained as a Deacon. After the laying on of hands, I brought the charge to Brother Cline and a challenge to the church.

BIBLES BEING DISTRIBUTED IN INDIA
It is a joy to report that over 177,000 Bibles have been distributed in India over the past few years. So many have been faithful in contributing to this great ministry. With a population of more than 1.2 billion, India has become one of the most populous countries in the world. We thank the Lord that we still are able to get the wonderful Word of God distributed throughout the land.
