

The Pursuit Of Life

By Ronnie Wolfe - March 15, 2018
For Funeral of Jim Spaw

He walked the earth with the bravest heart
Pursued his passion from the start,
Took upon him work for life
Planned his work for man and wife.

Once when sin had taken hold
And Jim's self-will was not so bold,
He met a man who changed his life
To crush his sin, his care and strife.

Jesus was the man he met
Jim's heart was changed; his mind was set,
And so along life's road Jim went
To trod the path where Jesus sent.

His love was strong for all around;
His love for family was profound;
He loved his church to faithful be;
His dedication all could see.

And now at end of life we know
That into Heaven he would go,
And rest from all life's weary pace
And stare with joy at Jesus' face.
