

Standing On The Shores Of Time

By Ronnie W. Wolfe – April 6, 2015

Standing on the shores of time,
I face a creating God.
I stand amazed at His great work
And the weakness of crumbling sod.

As I walk upon these carnal shores
And spend my time for me,
I'm unaware of God's great plan
To set my spirit free.

As I walked, I saw my sin
And asked forgiveness true
And got relief along the way;
He made my heart anew.

And now with faith toward my Lord
I walk along the shore.
I put my faith in his great name;
I'll live forevermore.
